

# ART WORKSHOP

## FOR KIDS

Create, smile, improve & gain confidence while learning from a master artist!

Nationally-renowned artist Tim Chambers invites you to join him in a fun activity-packed **Children's Art Workshops** for kids ages 10-18.

Two workshop sessions are available:

**1 Painting!** *Focus on material use, technique, memory, values, color, and history.*

**2 Portraits!** *Focus on drawing, proportions, anatomy, likeness, shading, texture, and history.*

This isn't paint-by-numbers! Rather, a challenging art experience with top-notch instruction in a fun environment. Kids and parents love Tim's balanced blend of fun and disciplined learning. Studies show that kids who study art do better in academics than their art-poor peers!
