Purcellville, VA 20132*

**Wear painting clothes (shorts & t-shirt), and
come ready to have fun and learn!**

Tim has so much to offer children of all ages; he leads and teaches with gentle, easy to follow instruction. He is a gifted artist and teacher who inspires others to express themselves in their own unique way. My girls grew by leaps and bounds in their artistic ability in Tim's workshops. This is an amazing opportunity to learn from a truly wonderful artist and member of the community — you won't be disappointed! —Lisa Straders, student mom.

About the Workshop

Each student will receive one-on-one guidance in class, and Tim will help them at whatever skill level they are presently at. Students come away encouraged with new insight and confidence, not just in their art, but also overall. Parents will be able to see their child's progress and topics covered.

Tim will be teaching the fundamentals of drawing, including understanding perspective, values, color, recognizing shapes, and offering tips and exercises to harness the abilities your child already possesses to create accurate drawings.

Your child will paint from life, photographs, and even produce a copy of a historical museum painting. Each will create a beautiful frame to display their completed painting in your home.

About Tim

Tim Chambers loves to share with others the joy he finds in painting. He is gifted in both painting and teaching, as his professional merits and many thrilled students testify. "The greatest reward is the smile of a student who learns to see anew!"
